Subject: Social Security Income Cost of Living Adjustment

Dear Adult Care Facility Operator:

The purpose of this letter is to inform Operators of adult care facilities of impending increases in the 2021 Supplemental Security Income (SSI) and Safety Net benefits provided to residents of such facilities as a result of the 1.3% federal cost of living increases scheduled for January 1, 2021.

Chapter 56 of the Laws of 2020 authorized a pass-through of the January 1, 2021 cost of living increases to SSI recipients. The January 1, 2021 increase will result in increases of \$11.00 per month for individuals and \$22.00 per month for couples. In addition, the law requires that effective January 1, 2021, SSI residents receive a \$3.00 increase in their Personal Needs Allowance.

Benefit changes effective January 1, 2021 and paid monthly are described below:

| <b><u>Status</u></b> | <b><u>SSI Income Only*</u></b> | <b><u>SSI Income Plus Social Security or other unearned Income not counted by Social Security</u></b> |
|----------------------|--------------------------------|---|
| Individuals          | \$1,488.00                     | \$1,508.00  |
| Couples              | \$2,976.00                     | \$2,996.00  |

\*Includes Federal and State portions

Effective January 1, 2021, residents of adult homes and enriched housing programs who receive SSI benefits will be entitled to receive a Personal Needs Allowance of **\$210.00** per month.

Residents who receive Safety Net payments from local Departments of Social Services also will receive the \$1,488 per month as outlined above, which includes \$1,278 for cost of care and \$210 for the residents' Personal Needs Allowance.

Enclosed is a notice for residents who receive SSI which describes the changes effective January 1, 2021. The notice is to be conspicuously posted in an area or areas accessible to residents, which may include adjacent to the monthly activities schedule and/or the daily menu. The Department will not be mailing individual copies to the residents receiving SSI in your facility; accordingly, Operators should make copies of the notice for residents who would like to have a copy.

Adult care facility Operators who intend to increase the rates charged to residents are required to provide residents a written notice specifying the new rate at least 30 days prior to the date of the increase. Assisted Living Residences (ALRs) must provide 45 days' notice before increasing the rate for residents who receive SSI. The Operator may increase the rate with less than the requisite notice if the resident voluntarily agrees to such a rate increase in writing. In either case, Operators are required to amend the admission/residency agreement and offer eligible residents, in writing, an opportunity to place Personal Needs Allowance funds in a facility-maintained account if they do not already have a facility-maintained account for Personal Needs Allowance.

The SSI and Safety Net Assistance increases are **effective January 1, 2021** and will be included in regular SSI and Safety Net Assistance checks beginning with the January 2021 SSI check.

SSI recipients with questions about their SSI benefits should contact the Social Security Administration by contacting their local Social Security Office in person or by phone or by calling the national toll-free hotline at **1 (800) 772-1213**.

Please be advised that this letter and enclosure will be available on the Health Commerce Systems and online at:

## **NOTICE**

### **TO: Residents of Adult Care Facilitys who are eligible for Supplemental Security Income (SSI)**

Effective January 1, 2021 the benefits for a resident eligible for SSI will be increased. For individual residents, the total increase will be \$11 per month. For couples, the total increase is \$22 per month.

The law increases the required amount of your personal needs allowance by \$3 per month.

Residents who receive SSI are entitled to receive at least \$210 per month as a Personal Needs Allowance. The Personal Needs Allowance is money which you may use for personal items such as clothing, magazines, etc.

The following chart shows the new benefit amount effective January 1, 2021 for residents receiving SSI. The increases will be included in regular SSI checks beginning with the January 2021 SSI check.

### **New SSI Benefit Amounts**

### **Admission Agreement Changes**

The operator of the facility where you live may increase the rate you are charged effective January 1, 2021. To do this, the operator is required to give you at least 30 days' written notice (about amending your admission agreement) prior to the date of the rate change. Assisted Living Residences (ALRs) must provide 45 days' notice before increasing the rate for residents who receive SSI. The operator may increase the rate with less than the 30-day notice (45 days for ALRs) if you voluntarily agree to such a rate increase in writing. Either way, your admission agreement must be amended to reflect this rate increase, and you should receive a copy of this amendment to your admission agreement. If you have questions about the new SSI benefit amounts or the information contained in this notice, you may contact the Regional Office in your area.
